HISTORY: ROSA'S CENTRE OPENED IN JUNE 2008

"Our mother just needs a break"; said Mary Pronesti founder of Rosa's Centre. It's been over 50 years that Rosa Panetta, our mother in which the centre has been named has taken care of our developmentally challenged brother & sister. It's time for us to take over & provide a service that is unlike any other. To treat everyone like family & provide a fulfilling program dedicated to ensuring life skills are achieved.

"It's a blessing to work here"; said Janice Wallace Program Director, in an interview with Rogers Local News.

"There are limited services available to adults with special needs in Brampton & the program is a welcomed relief for families that have been on waiting lists for many years!"; said Antonio Panetta Director of Operations, in an interview with CHIN Radio / TV. Come visit us!
